BRACKETS, PDRC DISPLAY MOUNT

Revision

Rev.A

Form

INST-496

Printing Spec: PS-001

The PDRC Display Mount Brackets allows a Panasonic PDRC Display to be attached to the Universal Display Mount (7160-0272, 7160-0273). Refer to the installation instructions for the Universal Display Mount for additional installation instructions.

Installation:

1. Install the two side brackets to the Universal Display mount slots as shown using the supplied 1/4-20 bolts, washers and lock nuts.
2. Using the supplied M4-12mm screws and lock washers, install the PDRC display onto the brackets as shown.
3. Adjust the display to the desired height and tighten the four bolts holding the brackets.

Product Mounting Disclaimer

Gamber-Johnson is not liable under any theory of contract or tort law for any loss, damage, personal injury, special, incidental or consequential damages for personal injury or other damage of any nature arising directly or indirectly as a result of the improper installation or use of its products in vehicle or any other application. In order to safely install and use Gamber-Johnson products full consideration of vehicle occupants, vehicle systems (i.e., the location of fuel lines, brakes lines, electrical, drive train or other systems), air-bags and other safety equipment is required. Gamber-Johnson specifically disclaims any responsibility for the improper use or installation of its products not consistent with the original vehicle manufactures specifications and recommendations, Gamber-Johnson product instruction sheets, or workmanship standards as endorsed through the Gamber-Johnson Certified Installer Program.
